

# DSM-5 PROTEST

Nothing about us without us.

**MP•OWER**

**Date: Saturday  
5/5/12**

**Time: 2:00 P.M.**

**Contact/RSVP:  
Florette (617) 297-2030**

In coordination with demonstrations across the country we  
**Protest the approval of the DSM-5**

On Saturday May 5, 2012 the American Psychiatric Association (AMA) will approve the latest version of the Diagnostic and Statistical Manual the DSM-5 in Philadelphia, PA.

This is NOT an improvement over the previous version, the DSM IV. In fact the DSM-5 encourages the labeling and stigmatizing of even more people. Young, Old, and in between. The DSM-5 produces more profits for the drug companies and hospitals by promoting earlier and longer drug treatment.

**WE ARE YOU!**

Please join and support us by attending a peaceful protest rally!

**Arbour Hospital  
49 Robinwood Avenue  
Boston, MA 02130**

**ON SATURDAY 5/5/12 AT 2 P.M.**

We will be meeting in front of the hospital entrance in a peaceful protest and plan on handing out leaflets and information. We will not be acting in any way to jeopardize our personal safety or the safety of others. For information how on to get involved or RSVP please contact the number above.

M-POWER is a member-run organization of mental health consumers and current and former psychiatric patients. We advocate for political and social change within the mental health system, the community, city, and statewide. We believe all people are entitled to lives free of prejudice and oppression.
