## "Informed Consent: Forcing Doctors to Warn Their Patients About Psychiatric Drugs"

Filmmaker and psych survivor Roxanne Stewart-Johnson introduces a bill to the Ontario House of Parliament demanding greater information be provided to patients prior to starting psych drugs.

**DATES:** Wed May 4, 2022

**TIMES:** 6-8 EST, 4-6 MT, 3-5 PT

**PLACE:** Virtual Group

In this Judi's Room, we will watch a ten-minute video entitled "Help Me Force Doctors to Fully Disclose the Risks of Psych Drugs", produced by Roxanne Stewart-Johnson, exposing the high number of fatal, adverse reactions to psychoactive drugs in Canada and the need for greater informed consent. Afterwards, she and other panelists will discuss informed consent, why it needs to improve and what we can do.
