

MindFreedom International Supports the OCCUPY MOVEMENT!

MindFreedom invites everyone to have fun in a Youtubed peaceful street theater directly in front of the Eugene Chamber of Commerce.

Boycott Normal! Occupy Normal!

When: This Monday, October 10, 2011 • 4 pm • *It is World Mental Health Day!*
Where: Eugene Chamber of Commerce • 14th & Willamette St., Eugene

The US Chamber of Commerce is one of the main groups lobbying *against* economic justice, banking reform, and action to address the Climate Crisis!

The Eugene Chamber has refused to speak out about the US Chamber.

Join a peaceful flash mob skit to ask: "Can you be 'crazier' than 'normal'?"

Psychiatric survivors in judges' robes & wigs will decide if *you* can 'out-crazy' the Chamber of Commerce! Individually or in a group, bring YOUR mad minute of weird poetry, strange skit, heartfelt speech or odd dance! *It is a weird-off!*

Corporate psychiatry is now working on its newest 'label bible,' *DSM 5*. We ask why destroying Earth is never listed?

You will help MFI launch an international campaign, "Boycott Normal!" All are welcome. Help show there is "Life After Labels!"

MindFreedom International is an independent nonprofit activist coalition uniting grassroots groups to win human rights and alternatives for mental well being. MFI's vision is a peaceful global revolution. *Adbusters* called MFI the "epicenter of the 'mad movement.'" Based in Eugene, this year is MFI's 25th anniversary!
