## About the conference site:

The conference will be at the Wisdom House Retreat and Conference Center which invites us to an experience of peace and tranquility.

Nestled in the foothills of the Berkshires, Wisdom House spans 54 acres of meadows, has an outdoor swimming pool, woods and brooks. There are several buildings on campus; the oldest with a fireplace dating back to 1770. Wisdom House values its location in the historic town of Litchfield, Connecticut, incorporated in 1721. The town provides historic cultural resources to all who visit the area. (Please note that your housing is included when you register, so please direct any questions to MindFreedom.)
